Guest Speaker Summary - Doug Hulyer's Natural England responsibilities cover the South West region, Dartmoor and Exmoor National Parks. He was previously the Director of Conservation Programmes for the Wildfowl & Wetlands Trust. Doug is a committed environmentalist, environmental educator and conservationist with over 30 years professional experience. He is a Trustee of the National Heritage Memorial Fund/Heritage Lottery Fund and a member of HLF's South West Committee. Doug is currently Vice-President of the Surrey Wildlife Trust, a member of the Learnings Panel of the National Trust and Chair of the Education and Public Understanding Group for England Biodiversity Strategy as well as The Great Fen Project Foundation. Although a man of Kent by birth, a Londoner by upbringing and a Cotswold man by adoption, it was the cliffs and rock pools of East Devon that changed his life!
