Apologies: Claire Wiscombe, Andy Turner

1. Minutes of last meeting – additional corrections from those already incorporated: Ref: The Gladman Development problem was in the Stroud area in Gloucestershire. There is also a similar one going on in Corsham, Wiltshire. (Thank you, John G).
2. Matters Arising – none
3. Correspondence - none
4. Housing Needs survey and Questionnaire – 113 Questionnaires returned, 182 Housing Needs surveys returned. The analysis should be available in two to three weeks.
5. Planning Aid – funding still available for approximately three days work. Decision to be made on this at the next meeting.

6. Focus and Working Groups reports -
Environment – Terry and John had completed further reports from their consultations with environment agencies (sent to Peter W.) and had now moved on to mapping land ownership. They had not been able to meet with Andy, but had now fixed a date for John D to meet with him while Terry was away. John felt that between them they knew who owned what land in the parish. Terry and John have created a questionnaire for landowners which they will share with Andy.

Claire was not available for an update.

Barbara was working closely with Lois maintaining a document trail of all consultations carried out, this includes notes on verbal conversations.

Chris – nothing further – he will do another follow up.

Peter and Pat – now have list of businesses/tourist industry in the parish and are creating a short questionnaire to go out on email through Lois before next meeting.

Draft of Design Statement – John G and Glen to circulate this when complete.

Draft of shape of NP – Peter W was carrying out further work for comment. Discussion took place on the development of policies. It was suggested that any policies should have statement advising who would carry out the policies and their time scale. The Locality Guide would be used for this work.

Vision Statement – this was raised again, but no agreement reached so would be part of next meeting's discussion.

8. NP documentation still required – letter from Woodroffe School that Neil P would provide

after his next Governors meeting at Woodroffe.

9. Floods – Anger was expressed that grants had been cut off from Uplyme because the people of Uplyme (mainly the Parish Council members) had done so much work helping parishioners.
10. Website – no further comments.
11. NP Finances – John G asked that any outstanding bills should be passed to him as soon as possible.
12. Any Other Business – Terry passed round an AONB report created by Dorset. This is available for members to read – contact Terry or Peter W.
13. Date of next meeting – At **The Old Black Dog, Uplyme at 7 p.m. on Thursday, 6th November.**
